

MALIBU

Pine Gel Detergent Cleaner

3050

DESCRIPTION

MALIBU is a multi-purpose detergent gel containing high quality pine oil, soaps and wetting agents.

MALIBU is an extremely effective cleaner - powerful enough to remove difficult marks and mild enough to avoid damage to the surfaces being cleaned.

MALIBU removes greasy soils and difficult scuff marks, does not require rinsing and replaces stale smells with fresh pine odour.

APPLICATIONS

MALIBU can be used for an enormous range of applications - from the toughest marks on a heavy duty floor to paintwork or leather.

MALIBU is a brilliant cleaning properties and hygienic fresh pine odour also make it ideal for washrooms, showers and tiled areas.

MALIBU is ideal for any heavy traffic floor areas, this product can be used on all surfaces including vinyl tiles, linoleum, ceramic, emulsion polished or sealed wooden floors.

After drying, washed floors may be buffed to an attractive non-slip, high sheen.

MALIBU is also very effective for cleaning or damp dusting of paintwork, wood, leather and vinyl surfaces.

PRODUCT BENEFITS

- Brilliant solution to most of your cleaning problems.
- Extremely efficient multi-purpose detergent gel.
- Suitable for damp mopping, spray cleaning and machine scrubbing
- Fresh pine fragrance.
- Economical.

PHYSICAL PROPERTIES

Appearance	Gel
Colour	Golden Brown
Odour	Fresh Pine
Solubility	Water soluble in all proportions
pH	9

DIRECTIONS FOR USE

If **MALIBU** has never been used before, it is necessary to first strip the floor of old polish, then seal it with Metal Link Polish or Polymer Seal.

For normal use, 3- 5g /L of warm water is used. For heavy soiling and scuff marks, a stronger solution of 10g per litre may be required.

Damp mopping: Use a mop soaked in the solution and then well wrung out. Mop over the floor then allow to air dry.

Spray Clean: Apply by spray and use an electrical polishing machine with nylon pad to buff to a clean sparkling finish.

Machine Scrubbing: Use a machine scrubber, dry with a mop or a wet vacuum machine.

Wash and Shine: Damp the mop with solution, wipe over the floor and allow drying. Buff to a shine using an electrical polishing machine with a buffing grade nylon pad.

NB. Nylon pads recommended for use are: Scotch Brite 31 Line Contractor Red / Buffer Floor Pads. Floor Master Series 500 Floor Pads / No. 543 Red.

For applications other than floors, use at up to 10g /L of warm to hot water. Wipe surface to be cleaned with a damp cloth or sponge soaked in the solution and well wrung out. Follow by wiping over with a dry cloth to remove excess solution and dry the surface.

STORAGE & SAFETY

Two years stored in unopened original packaging in a cool and dry environment and away from high heat or direct sunlight.

Avoid contact with eyes and skin. Wear safety glasses if splashing is likely to occur. Wear rubber gloves if prolonged skin contact is expected.

For further information please refer to the Safety Data Sheet.
