

# STRAP IT

## Instant Emergency Leak Stopper

### DESCRIPTION

**STRAP IT** is an emergency leak stopper, designed for all pipework systems and most types of leaks.

**STRAP IT** simply wraps over the leak and locks with its hook & loop fastener strap giving an instant repair in an emergency situation.

This innovative product requires no special tools and is capable of sealing leaks even under pressure without having to shut down a pipeline.

**STRAP IT** can be used over and over again, saving valuable water resources and maintenance downtime.

**STRAP IT** is made from EPDM rubber which has good chemical resistance and excellent temperature resistance: -40°C to +120°C.

### APPLICATIONS

**STRAP IT** is a must for all plumbers, maintenance and heating engineers.

### DIRECTIONS FOR USE
