

# GLASS ACT

3180

Glass & Glazed Surface Cleaner

## DESCRIPTION

**GLASS ACT** is ammonia free non-streaking mirror and window cleaner.

**GLASS ACT** penetrates quickly to lift and dissolve dirt deposits, weather and smokes films, oily stains, insect remains, smudges and fingerprints from glass and glazed surfaces.

## APPLICATION

**GLASS ACT** is the ideal cleaner for windows, mirrors, doors, display cases, mirrors, aircraft windshields and other indoors and outdoors glass surfaces in hotels, commercial buildings, schools and aircraft maintenance repair centers etc.

**GLASS ACT** is recommended for cleaning glass, painted surfaces, vinyl, acrylic, plexiglass and other plastic components.

## PRODUCT BENEFITS

- Cleans Faster and Easier
- Provides streak-less, spot-free cleaning
- Leaves no rainbow film
- No smudging
- Can be wiped off easily
- Leaves surfaces shining without buffing or polishing
- Ammonia free
- Contains no abrasive agents that scratch surfaces or damage plastic
- Will not harm paintwork, furniture, plastics, windows, chrome fittings or metal frames
- Reduces maintenance hours
- Makes regular cleaning faster and easier
- Reduces maintenance man-hours
- Non-Flammable

## PHYSICAL PROPERTIES

Appearance .....	Mobile liquid
Colour .....	Clear pale green
Odour .....	Alcoholic odour
Specific Gravity @ 20°C .....	0.976 ± 0.005
pH (Neat) .....	10.0 ± 0.3

**APPROVALS / CONFORMANCES**

- AMS 1534A
- AMS 1534C
- Boeing D6-17487 Revision L
- BOEING D6-17487 Revision T

**DIRECTION FOR USE**

Dilute 1 part **GLASS ACT** with 5-10 parts water and apply to surface, preferably with spray atomizer. Spray small area at a time. Wipe off with clean cloth or paper towel. Turn cloth and buff dry. A window squeegee may be used if preferred.

**FOR AREAS WHERE SPRAYING IS DIFFICULT**  
 Apply **A-3180** directly to cloth, apply to the surface and wipe dry with clean cloth.

**FOR EXTERIOR WINDOW CLEANING**  
 Dilute 1 part in 80 parts water (100ml – 8L bucket). Apply solution with a soft brush, then squeegee dry.

**FOR HEAVILY SOILED AREAS**  
 For the best results, simply spray neat **A-3180** on, and wipe clean with a paper towel. No preparation of the surface is necessary.

**GLASS ACT** easily removes marks, smudges, fingerprints, dirt and grease. If a paper towel or spray is not available, a cloth may be dampened with neat **GLASS ACT** and the surface wiped clean. Occasionally smudging may occur with this method, it is therefore not recommended for the best results.

**STORAGE & SAFETY**

**NON-HAZARDOUS.** Aqueous solutions containing not more than 24% ethanol by volume are not considered dangerous goods. Avoid contact with eyes and skin. Wear safety glasses if splashing is likely to occur. Wear rubber gloves if prolonged skin contact is expected. **Keep away from the reach of children.** *For further information please refer to the Safety Data Sheet.*

**PACKAGING**

Ref: A-3180-J1 ..... Pail 4 x 5L
