

SDI NEW

POWERFUL DRY SOLVENT

DESCRIPTION

SDI NEW is an extremely powerful non-corrosive and non flammable industrial solvent and degreasing agent ideal for removing stubborn carbonized greases, sticky oil and synthetic fluids with a high evaporation rate leaving no residues behind.

APPLICATIONS

Automotive:

- Degreasing / Decarbonizing of Car and Truck Engines, Carburetors, Hydraulic Cylinders...

General Industries:

- Valves, Gate Rods, Pump Bodies, Boiler Burners, Printing Equipment, Electromechanical Parts, Electrical Motors, Power Tools, Elevators and Escalators ...

PRODUCT BENEFITS

- Highly effective in removing residual fuels, oils, greases, tars, gums, varnishes and other surface contaminants produced from hydrocarbons.
- Extremely powerful, thanks to Power Jet Spray.
- Leaves No Oily Residue with its 100% volatile composition.
- Allows painting, bonding and lubrication immediately after usage.
- Environmentally Friendly : Contains no harmful ozone-depleting HCFCs.
- Non Flammable and Safe to Use : Replaces toxic or highly flammable solvents.
- Safe on all metal surfaces. (Compatibility test recommended on plastics and synthetic materials).
- Increase productivity thanks to quick evaporation rate reducing the drying process.
- Saves labor costs and downtime because machinery does not have to be shut down during cleaning.

PHYSICAL PROPERTIES

Appearance.....	Yellow
Odour	Citrus
Colour	Yellow
Density at 20°C (ASTM D 4052).....	1.32
Flash point	None
KB Index	140
Evaporation speed (ether = 1)	1.2

DIRECTIONS

Aerosol: Spray sufficient amount to cover the surface and allow several seconds for the soil and grease to liquefy. Follow with a second application to remove all dissolved and suspended soil. Wipe or air dry.

Bulk: Use by dipping, with a brush, cold.

STORAGE & SAFETY

Two years, stored in closed original packaging at ambient temperature.

Aerosol: Flammable product. Do not expose to temperature exceeding 50°C. Do not use on incandescent, warm body or near a source of heat.

Bulk : Non Flammable.

Always use in well ventilated areas. Wear gloves and glasses.

For further information, please consult the Materials Safety Data Sheet.

PACKAGING

800 ml aerosol	Ref. O 504 A5	x 12
25 ltr drum	Ref. O 504 O2	x 1
