

ORANGE CREAM

CITRUS HAND CLEANER

DESCRIPTION

ORANGE CREAM is a heavy duty biodegradable hand cleaner, containing no petroleum solvents. ORANGE CREAM is formulated using naturally occurring citrus oil extracted from oranges which work as extremely effective cleaners in conjunction with polymeric beads to give gentle rubbing action.

APPLICATION

ORANGE CREAM is a perfect heavy duty hand cleaner for any application where soap is not effective e.g. mines, oil rigs, manufacturing and engineering workshops, auto repair and maintenance, garages and handyman's office.

PRODUCT BENEFITS

- Contains no petroleum solvents.
- Removes the roughest grease, oils, grime, soot, coal, gasket cement, glues and inks.
- Leaves a pleasant citrus scent.
- Removes bad and persistent odours on hands (e.g. diesel, greases).
- Contains no artificial fragrances.
- Leaves hand smooth, not sticky.
- Contains no abrasive pumice but polymeric beads.
- Neutral pH: not corrosive on hands.
- Provides natural moisturising to the skin to fight dry skin and combat dermatitis.
- Contains biodegradable surfactants that meet the detergent regulation No : 648/2004.
- Available in no waste/no clog self dispensing containers.
- Economic: one hazel of cream is enough to eliminate dirt.
