

CARPETKLEEN
Carpet Cleaner

7880

DESCRIPTION

CARPETKLEEN is concentrated liquid detergent formulated for carpet and colourfast upholstery cleaning. It emulsifies and dissolves even the most stubborn stains, reaching deep into the fibers to loosen and foam away inert particles.

CARPETKLEEN contains anti-static agent to prevent the build-up of static electricity, releasing the electric charges that produce static shock.

APPLICATIONS

CARPETKLEEN is suitable for use on wool, nylon and acrylic carpets and a wide range of upholstery finishes in offices, commercial building, restaurants, hotels, motels hospitals, schools and clubs.

PRODUCT BENEFITS

- Concentrated detergent blend
- Fast-acting
- Stain-removing and in-depth cleaning
- Helps restore matted fibres to natural
- Anti-static action
- Retards re-soiling
- Cleaned carpets dry quickly to a non-sticky and residue free finish.
- Leaves a fresh and pleasant fragrance
- Economical and effective cleaning
