

SHEEN

8020

Stainless Steel Renovator & Polish

DESCRIPTION

SHEEN is a viscous colourless liquid formulated to clean and restore the natural brilliance of stainless steel, chrome and other bright metals.

SHEEN leaves a fine, invisible film which seals and protects the surface from resoiling, fingerprinting, corrosion and surface deterioration.

APPLICATIONS

SHEEN is recommended for use on kitchen units, refrigerators, freezers, serveries, steam tables, stainless steel counter tops, back bars, elevator doors, hinges around doors, medical and dental equipment etc.

SHEEN is use extensively in restaurants, hotels, hospitals, motels, dairies, breweries, bakeries, supermarkets, and office buildings.

PRODUCT BENEFITS

- Renovates, polishes and protects in 1 easy step
- Protects against corrosion and rust marks
- Protects against smudging and staining
- Seals metal imperfections
- Gives stainless steel, chrome or bright metal surfaces a soft pleasant shine
- Packed in a ready to use container
- Easy to use
- Not abrasive
- Economical
- Reduces clean-up time and labour

DIRECTIONS FOR USE

Clean and sanitize the area with a RINCON (3340) or any other ORAPI product.
Apply **SHEEN** sparingly with a soft lint free cloth or paper. Wipe gently over the surface to be renovated and polished with light pressure to bring out lustre. Follow the direction of the grain where possible.
SHEEN removes light soil, renovates, polishes and protects against marks, stains and water spots.

STORAGE & SAFETY

Five years, stored in closed original packaging in a cool and dry environment.
Avoid contact with eyes.
Avoid prolonged skin contact.
Product may have a defatting effect on skin.

For further information please refer to the Material Safety Data Sheet.
