

BREEZE ORANGE

Malodour Counteractant

9119

DESCRIPTION

BREEZE ORANGE (f.k.a. Vanish Ref: T-9119 & Cancel Ref: P-9119) is a highly concentrated oil based malodour counteractant, that completely neutralizes malodours through molecular encapsulation.

BREEZE ORANGE dispenses through controlled evaporation and continues to neutralize malodours long after conventional or solvent-based deodorizers have lost strength.

APPLICATIONS

BREEZE ORANGE neutralizes and eliminates the most offensive odours easily and effectively: malodours of gangrene, faecal material, autopsies, skunk, cooking, urine, garbage, pets, mildew, perspiration, animal rendering, smoke, rotten or spoiled food, dampness, and other offensive odours.

PRODUCT BENEFITS

- Quickly counteracts offensive odours
- Unobtrusive and effective fragrance
- No heavy perfume to penetrate into clothing, fabrics, and furniture etc.
- Highly concentrated (15 to 30ml will last approximately two weeks)
- Long lasting odour neutralization
- Non-aerosol packaging containing hazardous propellant
- Works where others fail!
- Extremely economical

PHYSICAL PROPERTIES

Appearance	Liquid
Colour	Clear Yellow
Odour	Citrus
Specific Gravity	0.825 ± 0.025

DIRECTIONS FOR USE

Transmitter Station for Continuous Odour Elimination:

Pour approximately 15 ml of **BREEZE ORANGE** onto screen to activate. Place the Transmitter Station on a shelf, ledge, or in an area where the air flow will allow **BREEZE ORANGE** to permeate and deodorize the room.

Space Spray:

Where mobility is desired, especially in a large area, attach the **BREEZE ORANGE** Sprayer Head to the container and spray once or twice into the corners of the area.

Disposable Odour Control Station:

BREEZE ORANGE is effective when sprayed on a cloth or paper towel and placed in a trash container or similar receptacle.

CAUTION: Do not spray into space over non-carpeted areas. Mist will drift down to floor and leave an oily, slippery surface.

EQUIPMENT: Transmitter Station / S.R. Sprayer Head

STORAGE & SAFETY

Two years, stored in closed original packaging in a cool and dry place. Combustible liquid, keep away from the heat and ignition sources.

For further information please refer to the Material Safety Data Sheet.
