

# AIR CONDITIONING ESSENTIALS

A Cool Product Line...

## DESCALE

### 2011 AQUATEC DS-220 Scale Remover for Heating & Cooling Systems

Excellent to remove scale and rust, returning the system to maximum energy efficiency and operating conditions. Designed for effective descaling of cooling towers, condensers, air washer and all boiler systems. Contains an exclusive color system that monitors the state of the descaling solution. Easy to use, safer and non-corrosive.

A-2011-O2 Drum 25Ltr

### 9329 AQUATRON S-500NV Boiler and Cooling Tower Descaler

Fast-acting descaler for fast removal of rust, scale, slime, hard water deposits, lime, milkstone, magnesium deposits, etc. Ideal to increase efficiency. For use by manufacturing operations, hospitals, hotels, schools and other commercial operations. Easy to use and non-corrosive to metal, wood, paint and rubber.

O-9329-O2 Pail 25Ltr

### 9037 CONSOLV III Air Conditioner Drain Line Slime Dissolver

Excellent slime dissolver to eliminate bacteria, fungus, lint, and other foreign matter which causes blockages. With a Powerful rapid penetration, stops the source of musty odours that induces sensitivity to people, improves air quality and controls the growth of bacteria causing the common cold & other respiratory ailments.

O-9037-I2 Carton 12 x 1Ltr

## DISINFECT

### 9175 VIRETRON Disinfectant & Deodorant

Powerful Bactericidal, Yeasticidal and Virucidal disinfectant, formulated to control and reduce the spread of germs (airborne virus and bacterias) that cause epidemics and diseases. Can be used as a space spray to kill airborne germs and as a hard surface disinfectant to kill germs on environmental surfaces.

OH-9175-J1 Jerrycan 4 x 5Ltr

### 3871 CHLORSAN 150 Chlorine disinfection tablets

A bactericidal and yeasticidal effervescent chlorine release tablets, effective against all micro-organisms often found in food environments and healthcare industry: Lysteria, S. aureus, E. Coli, Pseudomonas aeruginosa, Aspergillus brasiliensis, candida albicans etc. It also provides a long lasting safe and stable form of chlorine

OH-3871-B6 Tub 12 x 500gm

### 9559 D-ALG Algae Remover and Protection

Formulated to be effective against the growth of algae. Kills and prevents algae from growing back. Effective against all types of algae (green, black and mustard algae). It also will not damage tile, concrete, metal or plastic.

O-9559-O2 Pail 25Ltr

### 9010 SANAIR Air Conditioner Sanitizer, Deodorizer & Cleaner

Powerful germicidal detergent and deodorant formulated to kill bacteria, fungus and virus that develop in air conditioning chiller coils and condensate pans and can be a source for spreading of diseases and malodours. Prevents Musty Odours that induce sensitivity to people and improves indoor air quality. Very economical, non-flammable and easy to use.

O-9010-J1 Jerrycan 4 x 5Ltr

### 9108 SOLIDAIRE PINK The Time Controlled Condensate Pan Maintenance Tablet

Cleans and controls the development of sludge, lint and slimy organic deposit accumulations in A/C condensate pans and lines. Uniquely designed formula with alpha-B8® turns the tablet into a very slow gel release giving it a positive, long lasting and aggressive cleaning action while controlling stale water odours. When used as a regular preventative maintenance treatment, prevents build-ups which cause clogging of condensate drains resulting in destructive overflow and damages of drywalls, carpets and furnishing.

O-9108-V3 30 Tablets x 6

## CLEAN

### 9031 COILTRON No Rinse Cooler and Chiller Coil Renovator

Self-rinsing air-conditioning renovators for chillers and cooler coils. Reduces maintenance cost and eliminates common odours on filters by removing rancid, oily deposits etc. Also contributes to reduce energy consumption and prevents re-circulation of dirt, dust and pollen. Easy to use, readily biodegradable and non corrosive to aluminium, copper, steel and plastic.

O-9031-J3 Pail 10Ltr

### 9713 COILENE Air-Conditioner Coil Cleaner

Designed for the removal of dirt and corrosion products from air-con coil. It enables a more effective, faster cleaning action with less product wastages.

O-9713-O2 Pail 25Ltr

### 9069 NU-COIL 101 Heavy Duty Non-Acid Coil Renovator

Powerful non-acid coil renovator and reconditioner which quickly cuts through oily grime and industrial fallout deposits and allows air conditioning systems and units to operate at maximum efficiency. Reduces energy costs, prolongs Condenser Life and saves expensive equipment replacement costs and downtime. Easy to apply and economical.

O-9069-O2 Pail 25Ltr  
O-9069-J1 Jerrycan 4 x 5Ltr

### 0504 SDI NEW Powerful Dry Solvent

Extremely powerful non-corrosive and non flammable industrial solvent and degreasing agent. Ideal for removing stubborn carbonized greases, sticky oil and synthetic fluids with a high evaporation rate leaving no residues behind. Increases productivity, thanks to quick evaporation rate reducing the drying process and allows painting, bonding and lubrication immediately after usage.

O-0504-A5 Aerosol 12 x 568 ML  
O-0504-O2 Drum 25Ltr

### 0508 A90H Non-Flammable Contact Cleaner

Ultra-high purity, non-flammable fast drying electronic grade solvent for electrical and electronic components, especially those contacts and components sensitive to ordinary solvent cleaners.

O-0508-A3 Aerosol 12 x 330gm

## PROTECT

### 0805 WR+ Moisture Displacer Lubricant

Fast penetrating lubricant, formulated to displace moisture on mechanical and electrical equipment subjected to humid and corrosive environments. Extends equipment life, reduces labour cost and downtime. Also prevents short circuits and electrical discharge and stop corrosion and protects bare metal. Non-flammable, non-corrosive and safe to use on all metals.

O-0805-A4 Aerosol 12 x 400ml  
O-0805-O2 Pail 25Ltr

### 0706 NZA BRIGHT Shiny Cold Galvanizing

Anti-rust coating that is very rich in zinc; used for cold galvanizing to protect all metallic parts. Provides a long lasting corrosion protection against corrosive atmospheres and extreme weather conditions. Protects up to 3 years and it leaves a shiny grey metallic finish

O-9543-A3 Aerosol 12 x 400ml

### 0954 BLOC RUST Rust Converter

A powerful rust passivator which chemically transforms rust into a tough, protective polymer coating. It stops rust before it becomes a major problem. Eliminates the need for sandblasting and it has over > 100 hours salt spray testing. Can be used in transport, marine, automotive, construction equipment and factories.

O-0954-J1 Jerrycan 4 x 5Kg

## PROTECT

### 7272 PROTOR BITUM Bitumen Protection

Anti-corrosion and sealing product providing a dry and flexible film for long-lasting protection. Contains no chlorinated solvent; contains no toxic solvent and demonstrates excellent performance in salt spray tests (> 800 hours). Prevents humidity from penetrating on or in the treated surfaces and the film is highly resistant, even in extreme conditions: rain, wind, sea water, etc.

O-7272-A4 Aerosol 12 x 650ml /300

### 9715 FLEX COTE Long Term Protection

Clear methacrylate copolymer coating, formulated for specific protection of bare metal components and plastic parts exposed to aggressive environment attacks. It also exhibits excellent durability, adhesion, toughness and corrosion protection even after prolonged exposure to high humidity, corrosive vapours and salt spray.

O-9715-O2 Pail 25Ltr

### 9949 RUST OFF Rust Remover

The rapid penetrating action of RUST OFF (f.k.a. D-RUST) makes faster removal of rust and oxidation possible while special inhibitors reduce the attack on clean steel by 98%. It is the rapid remover for rust on iron and steel. Contains powerful inhibitor system to protect metals and it was to be highly diluted due to the highly concentrated formula.

O-9949-J1 Jerry can 5L x 4
