

## SANI-POOL

### SWIMMING POOL CHLORINE TABLETS

#### DESCRIPTION

**SANI-POOL** is a powerful calcium Hypochlorite agent designed for effective disinfection.

**SANI-POOL** has an excellent bleaching action and removes blood stains, protein soils, starch, fat and other contaminants.

#### APPLICATIONS

**SANI-POOL** finds widespread application as sanitizer for swimming pools, spas, food processing, beverage, brewery, and various industrial sanitizing applications.

**SANI-POOL** will control the growth of algae and bacteria in static water systems and may be used to condition the water in industrial processes

#### PRODUCT BENEFITS

- **4 in 1 action** : Bactericide, fungicide, disinfects & deodorizes
- kills algae and bacteria
- Great for use in swimming pools, spas, and hot tubs
- Perfect size for floaters, skimmers or almost any automatic feeder

#### PHYSICAL PROPERTIES

Appearance .....	Solid Tablet
Colour .....	White
Odour.....	Chlorine
pH .....	Alkaline when dissolved in water
Available chlorine.....	65%

#### DIRECTIONS FOR USE

**SANI-POOL** should be diluted with water before use to recommended concentration.

The dosage necessary for your pool or spa will change considerably depending upon those factors that burden the disinfection system: water temperature, exposure to windblown debris or rain storms and length of filtration cycle.

## STORAGE & SAFETY

---

If swallowed, wash mouth thoroughly with water immediately. Seek urgent medical attention. Avoid contact with the skin and the eyes; flush affected areas with copious amount of water for at least 15 minutes. Seek medical advice.  
If contact with the skin, brush powdered material from skin contact. Thoroughly wash exposed area with running water. Remove contaminated clothing and launder before reuse. Seek medical attention if effects persist.  
If inhaled and irritation occurs, stop operation and remove to fresh air. Seek medical attention if irritation persists. If not breathing, give artificial respiration, probably mouth to mouth.

For further information please refer to the Material Safety Data Sheet.
